Title IV

Transparency obligations for certain systems

Art. 52.1

Providers shall ensure that

- AI systems intended **to interact with natural persons**
- are designed and developed in such a way that natural persons
- are **informed that they are interacting with an AI system,**
- unless this is obvious from the circumstances and the context of use.
- This obligation shall not apply to
 - AI systems **authorised by law** to detect, prevent, investigate and prosecute criminal offences,
 - *unless those systems are available for the public to report a criminal offence.*

Title IV

Transparency obligations for certain systems

Art. 52.2

- Users of an **emotion recognition system or a biometric categorisation system** shall
 - *inform of the operation of the system*
 - *the natural persons exposed thereto.*
- This obligation shall not apply to AI systems used for biometric categorisation,
- which are permitted **by law** to detect, prevent and investigate criminal offences.

Title IV

Transparency obligations for certain systems

Art. 52.3

- Users of an AI system that generates or manipulates image, audio or video content
 - that appreciably resembles existing persons, objects, places or other entities or events
 - and would falsely appear to a person to be authentic or truthful ('deep fake'), shall
 - disclose that the content has been artificially generated or manipulated.
- However, the first subparagraph shall not apply
 - where the use is authorised by law to detect, prevent, investigate and prosecute criminal offences or
 - it is necessary for the exercise of the right to freedom of expression and the right to freedom of the arts and sciences guaranteed in the Charter of Fundamental Rights of the EU, and subject to appropriate safeguards for the rights and freedoms of third parties.

Title IV

Transparency obligations for certain systems

Art. 52.4

- Paragraphs 1, 2 and 3 shall not affect the requirements and obligations set out in Title III of this Regulation.
